

What to Find in Mackinaw

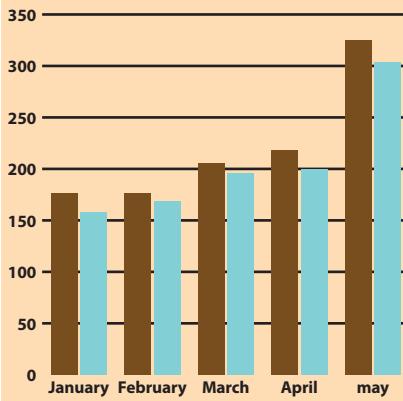

Wonder's of Mackinaw

Traffic

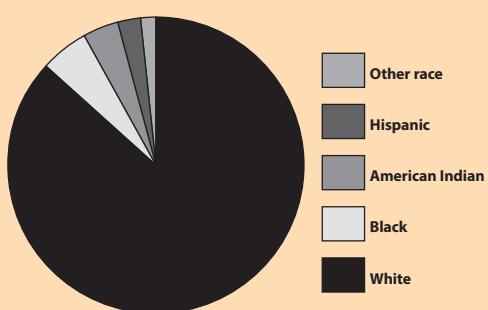

Data collected on 2014 and 2015 on the months of January to May, shows that the amount of automobile entering the Mackinaw Island across the Mackinaw Bridge is increasing every year. The data was lowest on January due to winter season and it increased as we moved towards may.

Year 2014

Population and Ethnicity.

Although Mackinaw is a small Island, it is quite diverse in terms of ethnic background. Current census shows that the white population is the majority and then followed by the African and African Americans

Wonder's of Mackinaw

Lake View Hotel

The oldest hotel in Mackinaw Island. It was built by Reuben Chapman in 1858. It has served as a guest house. The accommodation ranges from Standard, Deluxe, Spa, Lake View, Turret, and our Presidential Suite. Both Modified American and European.

Lake View Hotel: A Premium Pillow Top Beds in King and Queen Configurations

Mackinaw Bridge

The Mackinaw Bridge is currently the fifth longest suspension bridge in the world. It measures 8,614 feet in length.

Mackinaw Bridge. A tourist attraction

BICYCLE

This is the second common means of transport in Mackinaw Island after the Horses. Majority of every residential hotel has a bike rental system. A customer can rent a bike for an hour or even four hours. The rental price depends on the hours and the type of bicycle. For example, tandem bicycle cost more than regular one person bicycle
